

**The Critical Thinking Co.™ announces
the release of *Spelling DooRiddles A1 and B1***

Seaside, CA — February 7, 2006 — The Critical Thinking Co. announces two new additions to its best-selling Dr. Doolittle's DooRiddles series, *Spelling DooRiddles A1* and *Spelling DooRiddles B1*. With these new books, children will have fun using word play and rhyming to strengthen their spelling skills.

Spelling DooRiddles A1 (Grades 2 and 3) and *Spelling DooRiddles B1* (Grades 4-6) help develop both the visual and phonetic aspects of spelling and vocabulary. Students use associative reasoning, reading comprehension, and spelling knowledge to solve the two-part riddles.

The riddle solving begins when children analyze the first part of a riddle to identify the target word. Next, they read the second part of the riddle to determine whether to add, delete, or change the letters in the target word to produce the second word and solve the riddle.

Both books include practice activities, suggestions, and answers.
