

97. Annette is trying to figure out which of her three younger sisters took her hamster while she was at soccer practice. Her sister, Patti, is a baby and is with her mother all day. Her sister, Gale, will play soccer next year. She waits for Annette to come home from soccer every day, so she has someone to play with. Her sister, Treece, is almost 2 and stays with her mother and the baby all day.

Who do you think took Annette's hamster?

98. Jorge, Betsey, and Doris are planning what they are going to do today. One of them wants to play in the lake, the other two want to go to the school playground. Betsey and the boy are afraid of water.

Which person wants to visit the lake?
