

I WANT A RAISE!

Read the true story below, then make an inference based on the evidence in the story.

¹Andorra is a tiny country located high in the Pyrenees Mountains between the countries of France and Spain. ²Ever since the 13th century, Andorra has made payments to the leader of France and to the Spanish Bishop of Urgel. ³The president of France gets about \$2.00 every other year and the Bishop of Urgel gets about \$8.00 every other year. ⁴In addition, the bishop gets paid 6 hams, 6 cheeses, and 12 chickens every other year. ⁵Can you figure out what the French leader and the Spanish bishop have been doing for the past 800 years to earn these payments?

Your conclusion: _____

Which sentence has the best evidence to support your conclusion? _____

ALL ACROSS

The letters in the word CONSTITUTION below are the first letters of words that match the clues provided. Write the missing letters in the space provided.
