

With book I know the place,
Where you should start to read;
With et I am the place,
To buy the things you need.

What am I?

To elevate or lift,
Or to cause to rise;
Or think of sunny beams,
Falling from the skies.

What am I?

A thing they always measure,
When you go to see the doc;
Or what you do while sitting,
And staring up at the clock.

What am I?

Around my fire folks,
Like to sit and to sing;
And with a bright ribbon,
My net's a fetching thing.

What am I?
