

The Innocent

Fill in the blanks, then use complete sentences and sentence numbers to describe the best evidence for your conclusions.

Sentence _____ is the best evidence that Insect C is not the stinging insect.

Sentences 13 and _____ are the best evidence that Insect B is not the stinging insect.

Sentences _____ and 17 are the best evidence that _____ is not the stinging insect.

The Stinging Insect

Sentences _____ and _____ are the best evidence that the stinging insect was black and either yellow or orange. Only Insects _____ and _____ fit this description. Sentence _____ tells us that Insect _____ was dead before Debbie was stung, so this means the stinging insect is Insect _____.
