

***Building Thinking Skills Level 1* software earns a 2007 Seal of Excellence Award from *Creative Child Magazine***

Seaside, CA — October 22, 2007 – The Critical Thinking Co.™ is pleased to announce that *Building Thinking Skills® Level 1* software has been awarded the Seal of Excellence Award by *Creative Child Magazine*.

*Building Thinking Skills®* provides highly effective verbal and nonverbal reasoning activities to improve vocabulary, reading, writing, math, logic, and figural-spatial skills, as well as visual and auditory processing. This exceptional computer-delivered skill set provides a solid foundation for academic excellence and success on any assessment test.

In this software adventure, players become critical thinkers by completing the verbal and figural activities in each of the 10 underground levels to rescue Dr. Cognito and restore order to the lab.

*Creative Child Magazine* is a national bi-monthly publication that provides parents with the latest information on how to nurture their child's creativity and learning.
